

Friends of the Family 20th Birthday Celebration

Friends of the Family celebrated its birthday in style on Sunday 8th December when past and present families and volunteers came together for a delicious tea party at the Friends Meeting House. Over 50 guests attended the tea including the charity's founder Ann Titman and the Mayor and Lady Mayoress of Winchester. There was plenty to eat with fun and games for the children to play and everyone enjoyed the party atmosphere. The children in the 5s to 13s Project had also created a beautiful ceramic wall plaque during a summer workshop to commemorate the charity's birthday which now takes pride of place on the Friends of the Family office wall in the garden of the Friends Meeting House.
