Welcome to the last newsletter of 2011. It has been an eventful year for the charity with changes to Board of Trustees, new volunteers, numerous successful fundraising events provided by volunteers and trustees and a brand new website. However, the most significant change is the charity becoming a Company Limited by Guarantee. As a direct result of this we now have a new Registered Charity Number, a Company Limited by Guarantee Number and our Trustees are now called Directors! You can read about the changes and how little how it affects us in the article below.

### NEWS FLASH!.....Friends of the Family has a great updated website

Courtesy of Winchester University and the Winchester Film Festival we have a new updated version of our website. Our original website was very kindly designed and produced some years ago by Quakers and Friends of the Family supporters, Steven and Shelia Stevens and has allowed us to share our work with so many people on the World Wide Web. However, when Christian Francis from Winchester University contacted Under 5s Project Leader Colette Dunford with the opportunity of becoming a named charity at the Winchester Film festival in May 2012 and having our website brought up to date for free we jumped at the chance! Christian has worked hard to produce the smart new image for the website and it has really help to bring our charity and its work with Winchester families to life.

Please take a look at the updated website at [www.friendsofthefamilywinchester.org.uk](http://www.friendsofthefamilywinchester.org.uk) and let us know what you think!

### SISTERS MAKE IT TO LANDS END!

Hannah Hawkins and Bex Thomas road their tandem bike all the way from Winchester to Lands End to raise funds for Friends of the Family.

The incredible 5 day journey through sunshine, rain and wind raised an amazing £1031.51!!! The girls only aimed to raise £500 initially but family and friends gave them so much more support both practically and financially than they ever thought was possible.

Friends of the Family are so grateful to both girls and everyone who supported them (including the bike!).

Thank you and congratulations on your personal achievement.

Friends of the family are very grateful to Hampshire Police Authority for awarding us a grant £2,300 for training.

At Friends of the Family we regularly attend the Multi Agency Risk Assessment Committee (MARAC) and pride ourselves on the training opportunities that we have to offer to volunteers. These include a comprehensive training programme for 5s to 13s volunteers and on going training opportunities for all our staff and volunteers. Topics such as Bereavement, Alcohol Awareness, Depression, Autism and Safeguarding Children have been offered to both Under 5s and the 5s to 13s Volunteers. We hope to use some of this grant to run our 5<sup>th</sup> 5s to 13s training programme in the New Year and to also offer our volunteers 1<sup>st</sup> training from the St John's Ambulance.

Friends of the Family Families.....

.....you will go to the pantomime!

Emmaus have very generously donated the proceeds from their November Solidarity Sale to provide a Christmas treat for the children who are involved with Friends of the Family. The generous donation of £700 was kindly presented to 5s to 13s Project Leader, Sam Hunt by Community General Manager, Marianne Mackie and has been spent on Pantomime tickets for the children and their families. The families will be seeing "Cinderella" on Wednesday 21<sup>st</sup> December and have been promised a real treat by the Theatre Royal Winchester who kindly reduced the seat price to enable us to allow more children and their families to attend.

We are sure that the children will have a wonderful time being part of such a great event.

## **Friends of the Family Quiz Hits the Bull's-eye**

Ten teams met to contest this year's friends of the Family quiz held on 14<sup>th</sup> October in the hall of Holy Trinity Church. The quiz is fast becoming a firm favourite in the annual calendar of our fundraising events. This years contestants had to know who was on the throne in England in 1311 (Edward II) and the colour of the Olympic Archery Bull's-eye (gold). There was dead heat between the two top scoring teams, but the real winner was Friends of the Family who raised £1,070 from the evening!

Our thanks go to all the organisers of the event especially the quiz masters themselves Morse Family for a great if not challenging evening!

## **FRIENDS OF THE FAMILY WINCHESTER LTD!**

Company Limited by Guarantee Number 7577875  
Registered Charity Number 1143462

Recently Friends of the Family decided to incorporate as a company by guarantee called "Friends of the Family Winchester Limited". This we have done by transferring all the assets of the charity to the new company and we have obtained Charity Commission registration of the company as a charity and so have a new charity number.

The process of incorporation is very common for charities. Instead of a "constitution" which we had for the old charity, we now have "Articles of Association" and the Articles that we have adopted are in the form recommended by the Charity Commission as being suitable for charity companies. Our Mission remains the same and, in effect, nothing else changes. The advantages of incorporation are twofold. First it allows trustees to limit their personal liability which can be a deterrent to attracting and retaining trustees. Secondly it gives Friends of the Family a legal personality which allows us greater flexibility in case we need to enter into contracts for service provision or other reasons.

We have also taken the opportunity to launch a membership drive to attract new members who will offer use their interest and support and who as members will be entitled to vote in our general meetings and help shape our future as a Winchester charity. Details on membership can be obtained from trustee Jonathan Flory at [jonathanflory@aol.com](mailto:jonathanflory@aol.com)
